From the Director...

Thank you so much for considering the Mother's Day Out program for your child. We are excited about spending time with your child(ren) and giving you a few hours to yourself!

We believe children learn through play and that play is their work. We have worked hard to develop an atmosphere* where we can offer your child the opportunity to acquire new information, improve skills, use curiosity to extend interest, and learn to express themselves through different media.

We look forward to meeting you and answering any questions you might have regarding the program. Please feel free to contact me by phone at 833-3000 or by email at nursery@praiseassembly.org.
